Dear Mr. Drange,

The City's IT department ran a search through all email custodians from 2008 to present using the following search term, "[cinemaweaponry@dslextreme.com](mailto:cinemaweaponry@dslextreme.com)".

The search yielded no responsive records.

This concludes the City's response to your records request.

Please let me know if I can assist you further.

Sincerely,

Terea Johnson

Thank you. Can you confirm which email account(s) were searched, and what keyword terms were used to conduct the search?
